RESPONSE AFTER FINAL

Sir:

In response to the Final Office Action dated December 12, 2002, please enter the following amendments for the above-identified case:

In the Claims:

Please amend Claim 6 as follows:

6. (Twice Amended) A router table comprising a support connected to a table top that includes at least three groups of hole patterns, each group having different hole center distances for mounting routers having different footprints.

Please amend Claim 7 as follows:

7. (Amended) The router table as claimed in claim 6, further comprising a router hole positioned operably in the table with respect to the hole pattern groups.

Please amend Claim 11 as follows:

11. (Amended) A router table comprising a support connected to a table top that includes a plurality of hole pattern groups, each group having different hole center distances for mounting routers having different mounting footprints, the hole pattern groups positioned operably in relation to a router hole provided by the table.
